Preface

This is a Quarto book.

To learn more about Quarto books visit https://quarto.org/docs/books.

This document is a set of course notes for several Applied Statistics courses at California State University, Chico. This is not a textbook replacement, and topics covered will vary depending on the instructor. To make this clear we use the term *notebook* to refer to this document so as not to be confused with a traditional textbook.

Some data and examples in this notebook are drawn from *Practical Multivariate Analysis, 6tth ed, Afifi, May, Donatello, Clark* and used with permission by the authors.
